Notice No. C. 5-1024—37-38, *dated* 31*st January* 1938.

The following horses belonging to the Kunigal Stud Farm will be sold by public auction near the Queen's Statue, Cubbon Park, Bangalore, at 9-30 A.M., on Thursday the 17th February 1938. Intending purchasers may inspect these animals at the Mysore Lancers Lines, Hebbal, Bangalore, from the 15th February 1938.

1. *Terms of sale.*—The highest bidder for each horse should pay the full sale amount as soon as the sale is closed. If he fails to do so, the horse will be resold at his risk.

2. The bidder of the first sale will then be liable to make good to Government any loss which may result from the resale. But he will have no right to any excess amount that may be realised n the resale.

3. All amounts due to Government from the highest bidders will be recovered as arrears of land revenue.

4. For all monies paid, proper receipts should be obtained from the sale conducting officer.

No.	Name	Description of animals		
		Colour	Sex	Age
1	Lyla	White	Mare	13 years
2	Luna	White	Mare	14 years
3	Lorna	White	Mare	12 years
4	Filly		Filly	One year
5	Colt		Colt	One year

H. DE. N. LUCAS, *Lt. Col.*
Chief Commandant.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification No. 20, *dated* 29*th January* 1938.

Sealed tenders for the purchase of 600 Steel Poles (condemned) in lengths varying between 14 feet and 22 feet, with all defects as existing, at the C. P. S. Central Stores, Bangalore City, will be received in the office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 2 P.M. on 23rd February 1938.

The steel poles may be inspected at our Central Stores by the intending tenderers on any working day.

Tenders should be superscribed "Tender for the purchase of Condemned Steel Poles, due at 2 P.M. on 23rd February 1938", and should be accompanied by an earnest money of Rs. 100. The earnest money should be sent separately by registered post or remitted at our office in currency notes or by cheques drawn on the Bank of Mysore, Bangalore, or the Imperial Bank of India, Bangalore.

The Chief Electrical Engineer reserves to himself the right to refuse the highest or any tender whole or part, without assigning any reason therefor.

The deposit of the successful tenderer will be retained and he will be required to pay up the balance of cost of material before removing the material.

Arrangements should be made by the purchaser at his cost to remove the material from the Store House within a week of acceptance of his tender.

Failure to comply with the above conditions will entail for feiture of the amounts deposited together with the earnest money, and the material resold at the risk of the purchaser who will have no claim to profit, if any, that might accrue in the resale, but will be liable to reimburse the Department all losses entailed in the resale.

Earnest money of unsuccessful tenderers will be returned to them after the tenders are opened and decided upon.

Gazette Enquiry No. 21.

SUPPLY OF STEEL RACK SHELVES AND STEEL CUPBOARDS.

To

The firms dealing in the above articles.

GENTLEMEN,

Please be good enough to intimate your best prices for the supply of the following, delivered in the office of the Chief Electrical Engineer, Bangalore, and the earliest time of delivery.

(1) *Units* 2.—Steel Rack Shelves, 12 feet long, 1½″ deep, 6′—3″ high with 6 shelves; the units must be of the enclosed type with backs and sides and centre partitions; angles to be used must be of 13 gauge, punched every 2″ for adjustment of shelves; shelves of 18 gauge, folded box type, sides and back of 20 gauge steel sheets; steel to be rolled cold, open hearth and pickled; the units must be coated with oven-baked, rust-proof, non-chipping enamel, colour olive green.

(2) *Units* 6.—Steel Shelving Cupboards—6′—3″ high, 18″ deep and 3′ wide, with four shelves, double doors, three-way locking complete, made of Art Metal or of equally good quality steel, finished in olive green, oven-baked, rust-proof, non-chipping enamel.

Detailed specifications, sketches, illustrations, etc., must be furnished.

It should be distinctly understood that the acceptance by us of your tender will be subject to the following conditions:—

(1) Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources.

(2) The Chief Electrical Engineer reserves to himself the right to refuse the lowest or any tender whole or part, without assigning any reason therefor.

The tenders should be superscribed "Tender for supply of Steel Rack Shelves and Cupboards, due on 15th February 1938, 12 NOON" and delivered in the Office of the Chief Electrical Engineer on or before the due date.

Yours faithfully,

A. C. MUNIRATNAM,

For *Chief Electrical Engineer.*

MYSORE STATE RAILWAY.

OFFICE OF THE EXECUTIVE ENGINEER, BANGALORE.

Notification dated 29th January 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore State Railway, Bangalore City, on any day up to 2 P.M. on 15th February 1938, for "Setting back the compound wall in Kemmangundi Road at Bangalore City."

An approximate estimate of quantities is given in the following schedule. The quantities are not guaranteed. The work should be completed by 31st May 1938, showing monthly progress as noted in the tender.

2. Detailed estimates, plan and specifications for works and conditions of schedule agreement, may be seen at the Executive Engineer's Office, Mysore State Railway, Bangalore City, on all working days, between 10-30 A.M. and 4-30 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer on payment of one rupee.

4. Every tender must be accompanied by a deposit of Rs. 200 in cash as earnest money and should be superscribed "Tender for setting back the compound wall in Kemmangundi Road at Bangalore City," in default of which tenders will be rejected.

5. The earnest money of rejected tenders will be returned as early as possible after the tenders are disposed of and in the case of accepted tender it would be held as a part of security under Clause 4 of the Schedule Agreement referred to in Clause 8.

6. The final acceptance of the tender rests with the Chief Engineer (or Agent, as the case may be) who does not bind himself to accept the lowest or any tender. He also reserves to himself the right to reject, without assigning any reasons therefor, any or all the tenders or any portion of a tender and also the right to accept a tender for any individual item or items without accepting the whole tender, unless the tenderer expressly states in his tender that it must be accepted or rejected as a whole.
